

High Fives!

For those who go the extra mile!

Congratulations to Public Health Nurses Nancy Schneider, RN, BSN and Mary Magnuson, RN, BSN, for becoming National Highway Traffic Safety Administration ***Certified Car Safety Seat Technicians***! They join Health Department technicians Marsha Hake, RN, BSN, Vicki Gallardo, DTR and Serena Jahnke, RN, BSN.

The Health Department has a Bureau of Transportation Safety (BOTS) grant that provides free car safety seats for those in need. The Car Safety Seat Technicians install the seats and assure that parents/guardians/grandparents and others are able to properly install the seats. Anyone, regardless of need, can ask to have their car safety seats checked and learn how to properly install them. Call 920-674-7275 for more information.

The High Fives! Page is a way for peers to recognize a colleague and offer appreciation and gratitude. A way to say “Thank You” for a job well done.

If you have something that you would like to include on the High Fives! Page please email it to tammiej@jeffersoncountywi.gov.
